On completion of Customs and Immigration formalities we pass through an area boasting significant history, then, it's out into the vast Kalahari Plains. We will cover quite some distance today before arriving at our established overnight camp near Kang. Once we have set up tents etc. we will enjoy a short walk out into the bush. Tonight we enjoy a catered meal. **Lunch and Dinner own expense**

DAY 2: KALAHARI BUSHMEN

Waking early to a spectacular Kalahari sunrise, we enjoy a sumptuous camp breakfast before continuing to the frontier town of Ghanzi. Ghanzi is home to some of the last traditional Bushmen, and it is here that we will enjoy learning about the wilderness from these fascinating people. Our experience will include a bush walk. **B L D**

DAY 3 – 5: OKAVANGO DELTA

The Okavango, a massive river spilling its contents into the Kalahari sands, creating one of the world's only true inland delta's and a unique ecosystem that supports a huge variety of animal and plant life. The sight of a nervous Lechwe pounding across a flooded plain, the Jacana striding delicately amongst the flowering lilies, the Bee Eater diving to prey on an unsuspecting insect, and of course the familiar cry of the African Fish Eagle – all combine to create one of nature's masterpieces. We begin our journey into the Delta near the panhandle, gliding through Papayrus lined channels first by motorboat and then by mekoro – the traditional dugout canoe, to our exclusive wild island camp. We spend three nights here in true wilderness, exploring the area on foot and by mekoro. There will also be time to simply relax and to absorb the remoteness and serenity of the area. **B L D; B L D; B L D**

DAY 6: OKAVANGO – MAUN

Starting early, we begin our journey back to relative civilisation, first by mekoro and then by motorboat to where we are reunited with our vehicle. This afternoon we arrive in Maun and then travel the short distance out to the DRIFTERS MAUN LODGE to freshen up before enjoying a catered meal. The Lodge is situated on the banks of the

Boteti River and offers comfortable en-suite accommodation, a swimming pool, bar and restaurant. Clients will have the option to enjoy an own expense game flight over the Delta on one of our visits to Maun. **B L D**

DAY 7 – 10: FLEXIBLE GAME RESERVE SCHEDULE (MOREMI/SAVUTI)

This morning we stop in Maun for the group and guide to stock up with supplies for the onward journey. Now we prepare for the game viewing part of the trip. Perched high on our well-equipped 4 X 4 vehicle we head into the wilderness, passing remote villages along the way. We spend five days in the National Parks following seasonal game migrations, an example of our route could be: starting with Moremi, camping the first night near the well-known 3rd Bridge. Drift off to sleep to the howl of the Hyena or the earthy roar of a Lion, and even the deep grunt of a half-submerged Hippo. We then head on north via Xakanaxa to camp near North Gate. This area is generally excellent for game viewing and we will conduct afternoon and morning drives along the wetland areas. Then on up to Savuti, the area offers a multitude of game drive options and a very active campsite (keep the fruit well hidden from the roving Elephant, and the meat from the prowling Hyenas). The vegetation is constantly changing, from open plains, palm trees and marshland, to dense Mopane woodlands and Acacia scrub. Each night we will camp in pristine, remote, private sites where there is no sign of Mans existence – we leave each site in the same condition, nothing but footprints are left behind. **B L D ; B L D ; B L D ; B L D**

Although we set up tents, we encourage clients to enjoy a night out under the canopy of stars.**Brunch, D**

DAY 13: CHOBE RIVER – VICTORIA FALLS

Venturing north today, we leave the desolation of the Pans behind and make our way up to the mighty Chobe River.
